## Country Club

## Wedding

If you are looking for a country club wedding without the country club price, you have come to the right place! Overlooking beautiful Lake MacBride Golf Club, our facility holds 200 guests indoors with room on our outdoor patio for a tent that can hold another 100+.

Conveniently located in the middle of the corridor, we are just 15 minutes north of Iowa City and just 20 minutes south of Cedar Rapids. The facility comes complete with a large dance floor, space for a band or DJ and a newly decorated full service bar for all your beverage needs. Use our upstairs clubhouse bar for pre-wedding socializing or guest overflow. Our staff is experienced in taking care of you and your guests to make sure all have a night to remember.

Known for our delicious food, we have several options to choose from that will have your guests craving for more. Or bring us your unique idea and we will make it happen for you. Have your own caterer, we have plans that accommodate that as well.

However you choose to celebrate, we want you to feel comfortable that you and your guests are in good hands. We would be honored to work with you and your family on such a special occasion to make sure your night is one to remember.
